## EXHIBITS

A number of interesting exhibits have been arranged. A committee of college faculty are planning several about the college, the building of the library and West Virginia writers. These will be on the main floor of the library. On the ground floor, near the Association's meeting rooms, tentative arrangements have been made for exhibits as follows. Changes and additions may be expected.

Cincinnati News Company  
George A. Flohr Bindery, Cincinnati  
Gaylord's  
Comptons Encyclopedia

World Book  
American Library Association  
West Virginia Library Commission  
A. C. McClurg and Company

Two bookmobiles from the Commission will attend, and the one from Kanawha County Public Library will be present on Saturday.

Another New Library

Miss Elizabeth Quarrier, Librarian of Morris Harvey College, announces that her new library will welcome visitors, Saturday afternoon, October 20. Morris Harvey is at 2300 MacCorkle Avenue, in Charleston, on the South side of the river. Return to Charleston and cross the South Hills Bridge. Turn right down the ramp at the C & O Station, and at the foot of the ramp turn right onto MacCorkle Avenue.

A Charleston map may be seen at the information desk, and if you want a ride to Morris Harvey, or anywhere else; inquire at this desk. It can probably be arranged.
